6	Writing course Test the database speed to write a course	0.475	1	1.25
7	Complex request (n°1) Test the database speed to execute a complex request	0.124	0.5	0.7
8	Complex request (n°2) Test the database speed to execute a complex request	0.152	0.3	0.5
9	Time to connect with the guest account Measuring the time to load the login page with the guest account	0.082	0.3	0.8
10	Time to connect with a fake user account Measuring the time to load the login page with a fake user account	0.477	0.3	0.8
Total time		14.502 sec.		
Score		1451 points		

Watch out!

Your Moodle seems to have some difficulties.

The harddrive is too slow.

- Check the harddrive state / temp folder
- Change your harddrive or the temporary folder

The page is too slow to upload.

- Clear the Moodle cache
