Get started

You're set to receive only replies and events in your inbox. Change this setting below, or anywhere you see the group in Outlook, to see all of this group's conversations.

[Follow in inbox](#)

Get the conversation rolling
Start your own. Or just catch up. All in the group inbox.

Keep things together
Now, your documents and attachments in one place.

Stay on the same page
Groups that take notes together, stay together. In the group notebook.

Don't miss a thing
Track milestones (and everything in between) in the group calendar.

Collaborate with your group across Office 365

Create content seamlessly

The group's SharePoint team site is the place to share news, work on and organize content, manage rich data within lists, and track all site activities across all members.
